

EQUIPMENT | Sand Design Warli studio

| Weaving: handwoven on loom

| Yarn : 90% viscose - 10 % polyester

| Border: hand hemming

| Backing: cotton canvas or action backing

| Weight / sqm: 3,0 kgs

| Pile height: 8 mms

| Applications: light contract / residential use

| Sizes: any up to 5 x 25 mts. Also suitable as an exclusive wall-to-wall carpet. Stripe direction depends on the chosen size of your rug.

| Product care: Vacuum regularly. Blot stains immediately, avoid water, liquids and wet tools at all times. If, after the above treatments, you're not able to remove the stains, or if the rug is placed in heavy traffic public areas, we recommend the service of a professional cleaner. Viscose shreds during the first few weeks. This is considered to be a normal process. Sweep the carpet surface with a soft broom or vacuum clean it in the direction of the pile. Water may change the yarn structure and cause modifications and colour differences.
